February 2017

Dear Parent/Carer,

Each year our school offers entry into international competitions in the areas of Science, English, Spelling, Mathematics and Digital Technologies for children in Years 3 to 6. These competitions are an initiative of Educational Assessment Australia, via the University of New South Wales.

Upon completion, each student will receive a certificate and individual detailed results. The school will also receive feedback on our students' results. More information on the nature of these assessments can be found on the competition website at [www.eaa.unsw.edu.au](http://www.eaa.unsw.edu.au).

Sitting dates and costs for each of the competitions are below. Tests will be administered **before school, from 8am**, to avoid disruption to class time. Please note that due to the early starting time, late arrivals will not be allowed entry and will forfeit the entry fee.

If you would like your child to participate in one or more of the tests, please indicate on the slip provided, enclose the correct money and return to school by **Friday, 24 March 2017**, in order to guarantee entry to the competition/s. Late entries cannot be accepted as the whole school entry for all competitions will be lodged following this date.

Please complete one slip per child.

Dani Corliss  
Competition Coordinator

Tracy Gray  
Principal
