

FETE CAKE STALL

To have a school fete without a great cake stall just isn't a good fete! Therefore, we need your help in making sure the cake stall is filled with lots of yummy treats to sell.

We need your donations of cakes, slices, biscuits or confectionary to sell at the fete on Saturday 10th May. So please call upon grandparents, friends or family to help bake family favorites. Generally cakes that are decorated have more appeal. Old fashion favorites include: Fudge, Butterfly cakes, Lamingtons, Toffees, Coconut Ice, Chocolate Crackles, Cup Cakes, Brownies, Rocky Road, Anzac Biscuits, Whole cakes, Fruit Cakes and Caramel slice.

The cake stall is very popular and has been very successful in past years because of your generous contributions, so please help us out again in 2016

The fete cake stall is supported by ALL of the Birchgrove families, not just one class. If there is a particular shop you go to for your own cakes and treats, you might like to ask if they would like to donate a cake as well to support your schools fete. Extra cake boxes and small size cellophane bags are available from the canteen.

Please label your cake boxes with all the ingredients, it is easier for people with food allergies (nuts, gluten & dairy) and what type of cake it is or if it's a store bought cake please list the name of the shop & type of cake.

If you wish to price your own goods, please feel free to do so.

Please deliver

- * Slices, Biscuits, Confectionary & cakes etc to the canteen on Friday 6th May
- * Cakes can be delivered to the cake stall in the morning on the day of the fete - Saturday 7th may, you can bring Slices, biscuits & confectionary on the Saturday morning before the fete starts if you have already packaged them ready for sale.

Please contact:

Karen Peters in the canteen: k_peters66@hotmail.com if you have any questions
