ETHICS UPDATE

Following the Dec 2010 amendment of the NSW Education Act 1990, students who don't attend Special Religious Education (SRE)/Scripture classes in NSW public schools now have a legal right to receive philosophical ethics classes (known as Special Education in Ethics) as an option to supervised 'private study.'

For further information about the content of the philosophical ethics curriculum or to see a short video, What Happens In Ethics Classes, please go to www.primaryethics.com.au

We currently have two classes running for Year 5 and 6 children. We will be ready to start classes for Years 3 and 4 in Term 1 next year. Those children who already opt out of SRE will have priority access to this class over others who might want to join by opting out now.

If your child is in Year 2 now and you are interested in your child doing ethics next year, please sign the permission slip and return to their teacher. If your child is in Years 3, 4 or 5 currently and you have already signed a permission slip, there is no need to fill out another.

If you have any questions please feel free to contact me: jjuzzy@gmail.com

Signed,

Justine Ellis

SPECIAL EDUCATION IN ETHICS FOR YEARS 3 AND 4

Following the Dec 2010 amendment of the NSW Education Act 1990, students who don't attend Special Religious Education (SRE)/Scripture classes in NSW public schools now have a legal right to receive philosophical ethics classes (known as Special Education in Ethics) as an option to supervised 'private study.'

The NSW government has authorised Primary Ethics, a not-for profit organisation, to deliver these classes. The philosophical ethics classes that make up the Primary Ethics curriculum are inquiry based. Children use dialogue and discussion, learning how to think about ethical matters through the give-and-take of reasoned argument.

We currently have two classes for Year 5 and 6 children. We will be ready to start classes for Years 3 and 4 in Term 1 next year. Those children who already opt out of SRE will have priority access to this class over others who might want to join by opting out now.

For further information about the content of the philosophical ethics curriculum or to see a short video, *What Happens In Ethics Classes*, please go to www.primaryethics.com.au

If you are interested in having your Year 3 or 4 child attend this class, please complete the form below and return to the office before Friday, December 14.
