## NEWSLETTER

Week 9 Term 3 16/9/2020

### From the Principal

Today our **local Police Youth Liason Officer** Senior Constable Cuffee spoke to Stage 2 and Stage 3 about Cyber Safety.

Last week Birchgrove participated in **RUOK? day** check in's and activities. As it's been such an eventful year it's more important than ever to check in with each other!

Our **Cross Country** managed to be completed before the rain hit and the students enjoyed competing in this annual event. It was a different feel without our parent marshals and cheer squad, but the children stepped up and covered the cheer squad role and the teachers covered all the marshalling roles! We are hoping to fit in an athletics carnival in Term4

.You may have noticed all the movement in the scaffolding outside the school this morning, Our new **dismissal plan** for the afternoons has been posted on Skoolbag, complete with photographs and instructions. You will need to read which gate to collect your child/ren from ...there are photographs/ diagrams to help clarify.

### For your calendar

#### Term 3

Fri 25/9 Last day Term 3

#### Term 4

Mon 12/10 First day Term 4  
Wed 16/12 Last day Term 4

**Enrol Now for  
Kindergarten &  
Preschool 2021**

Next week is the **last week of Term 3**. There is no Pupil Free Day at the start of Term 4 and students recommence on Monday 12/10.

We are hopeful that events such as swim school and our many end of year events can go ahead in some form. The DoE plan is due to come out early in term 4, so as soon as we know what we are allowed to do we'll formalise our plans and send them out. As always if things are different we'll try and find ways to include parents and make sure the students feel special,

Have a safe break with the children
