Term 4 Week 10 14/12/2023

As the school year draws to a close, I am filled with immense pride and gratitude for the incredible efforts and achievements of our students. It has been a year filled with growth, learning, and countless memorable moments of which I'm sure there will be more over the next two days!

I want to express my appreciation to our dedicated teachers and staff for their unwavering commitment to nurturing and guiding our students. Your passion and hard work have been instrumental in creating a positive and inspiring learning environment.

To our parents thank you for your help and support throughout the year, it has been appreciated! As well as supporting your child and their class the Enrichment Tree, Mirrung Playground and the Basketball Cola have all been enabled with the support of our P&C.

To our wonderful students, congratulations on a remarkable year! Your enthusiasm, creativity, and determination have been truly remarkable. Each one of you has contributed to the vibrant tapestry of our school community, and I am so proud of all your accomplishments.

Have a safe and happy break

SSC STEAM Club & Stage 3

Last week, Stage 3 were visited by Mr Maglis from Balmain Secondary College and his Girls' STEM Club. They conducted workshops in rocket building and straw tower building. It was wonderful to see all the children so engaged in both activities and led so capably by the girls from Balmain SSC (some of which were past Birchgrove students).
