Term 3 Week 8 6/9/2023

Congratulations to the Cassowaries who received the Principal's Award for Excellence in Learning for their teamwork in creating a beautiful collaborative artwork, working hard in writing high quality persuasive speeches and focusing on finishing the multiplication and division unit.

Electricity Safety Week runs from 4-8 September. Stuart Donaldson (Stirling's dad) and two of his colleagues from Ausgrid visited this week to teach Stage 3 about staying safe around electricity both at home and outdoors.

Today is Early Childhood Educators' Day. This is a day to recognise and celebrate the work of Australia's educators in early learning services and their significant role supporting children's wellbeing, learning and development.

Thank you to our preschool staff for your wonderful contribution to the wellbeing and healthy development of the young children in your care. Thank you, Emma, Candice, Kirsty, Sarah, Suzie, Angela, Dawn, Alicia and Rebecca.

We acknowledge the Wangal people of the Eora Nations, the traditional custodians of the land on which we play, learn and grow. We pay respect to elders past, present and emerging.

Book Week 2023

Book Swap Brolgas

The Brolgas continue to be voracious readers! In addition to holding this year's primary library borrowing record, they had a book swap to mark book week. Inspired by the neighbourhood libraries we see around our community, the Brolgas brought in pre-loved novels and picture books to swap with one another. Each student chose two books each to take home and read. When they have finished reading, the students plan to bring their selections back in and swap them again.
