We acknowledge the Wangal people of the Eora Nations, the traditional custodians of the land on which we play, learn and grow. We pay respect to Elders past and present.

Message from our principal

Dear Parents and Carers,

Talk about a proud principal moment! Miss Taksa and I were lucky enough to be invited to the Operation Art opening ceremony, with a BPS student's work selected in the top 50 of the state, out of 639 entries. Congratulations to Grace S (Wattle class) you should be very proud of your contribution to the community. Grace's art will be displayed in the Children's Hospital at Westmead.

All students K-6 will have the opportunity to create an artwork for Operation Art later this term. We will then have the difficult decision of selecting just two artworks from our school to submit to the competition.

Well done to the students in Years 3 and 5, your effort and positive attitude towards the NAPLAN assessments has been outstanding. Thank you to Ms Sun for her organisation of the assessments. The whole process ran like clockwork.

Our focus rule for week 8 was 'Respect Personal Belongings'. In week 9 we will be talking to the students about the rule 'Be a Safe Person'. I will be meeting with student parliament in week 9 to look at our current student rights and responsibilities at school and discuss whether they need to be updated.

The Department of Education has developed a School Community Charter. This will replace our Parent Code of Conduct. A link to the [School Community Charter](#) is on our BPS website under 'Rules and Policies'.

Thank you to the families who attended the Learning and Support Information evening and, or the P&C meeting this week. We are very fortunate to have these opportunities to come together and discuss the different programs within the school and to work with the school community.

I would also like to thank the local businesses who generously donate products and services to our school. In particular, thank you to Bonfire Bread, Darling St Meats, Woolworths, Bunnings and QE foods (who provide apples to all our students every week of every term). Please make sure you mention you are a Birchgrove PS family when you visit these businesses, so they know how much we appreciate their support.

Thank you for your support and don't forget to pop in and say hello when you are at the school.

Harmony Week 2025

Harmony Week celebrates Australia's cultural diversity. In schools we celebrate inclusiveness, respect and a sense of belonging for all Australians, from the Traditional Custodians of the land to those who have come from many countries around the world.

The International Day for the Elimination of Racial Discrimination (Harmony Day) is observed on 21 March each year. The ongoing theme of Harmony Week is 'everyone belongs'

At BPS students were invited to wear cultural dress or orange on Harmony Day. Student Parliament also ran a Harmony week themed colouring competition.

HARMONY WEEK

BPS Preschool News

One of the best parts of having a preschool onsite is the opportunity we have to be a part of a bigger community and foster a sense of belonging that is so valuable for wellbeing and transition to kindergarten.

Preschoolers are always asking about the “big kids” and today some of our year 4 students visited to join our fun. We played hide and seek, read books, created art, built amazing sand creations and so much more!

- Rebecca Boyle - Assistant Principal, Early Stage 1

In the classroom: Stage 1

Stage 1 have been busy in maths learning about patterns and bonds to 10, 20 and 100.

- Natalie Robinson - Teacher, Banksia

Stage One students have been exploring how context shapes texts. The Wattle Class worked hard to create descriptive texts representing their own setting (our school), inspired by the beautiful book *Our Island* by Alison Lester. Now, they love revisiting the book during quiet reading time and take pride in their work!

- Emma Taksa
Teacher, Wattle

The Banksia class have been experimenting with collage to create our very own banksia flowers.

- Natalie Robinson - Teacher, Banksia

In the Classroom: Flannel Flowers

Operation Art

Operation Art is an initiative of the Children's Hospital at Westmead in association with the NSW Department of Education. Selection of the hospital '50 Exhibition' was made from 639 artworks submitted in 2024 from schools across NSW. These works will be exhibited at the Art Gallery of NSW and regional galleries throughout NSW during 2025. Following this, they will become part of the hospital's permanent art collection for children and their families to enjoy.

Congratulations to our own Grace S (Lilly Pilly class), whose artwork was selected as part of the '50 Exhibition'. The opening night art show was attended by our relieving principal Kylie Mitchell and teacher Emma Taksa showing our school's support for Grace's achievement.

SYDNEY
ACADEMY OF CHESS

Level 1 30A George St, Burwood 2134

Office: (02) 9745 1170

CHESS!!

Learn to be a chess champion! Coaching for students at Birchgrove Public School is held on Fridays from 8:00am to 9:00am, starting on 14 February 2025.

Learning and playing chess helps children develop their logical thinking and problem solving skills, improves their concentration and focus, while also being a great source of enjoyment. Activities include group lessons on a demonstration chess board or interactive whiteboard, puzzle solving and fun practice games.

Students earn merit awards by making checkmates, or by displaying skills and positive qualities, which all good chess players strive to develop.

Each student in the Chess program will also receive access to Chess Squad <https://www.chesssquad.com/> which is an online teaching/playing platform.

If your child is interested in taking part in the class, please email office.sydneyacademy@gmail.com for an enrolment form. For all enquiries, please contact Sydney Academy of Chess on (02) 9745 1170.

Compulsory school attendance

Information for parents and carers

Education for your child is important and regular attendance at school is essential for your child to achieve their educational best and increase their career and life options. NSW public schools work in partnership with parents to encourage and support regular attendance of children and young people. When your child attends school every day, learning becomes easier and your child will build and maintain friendships with other children.

What are my legal responsibilities?

Education in New South Wales is compulsory for all children between the ages of six years and below the minimum school leaving age of 17 years. The Education Act 1990 requires that parents ensure their children of compulsory school age are enrolled at, and regularly attend school, or, are registered with the NSW Education Standards Authority for home schooling.

Once enrolled, children are required to attend school each day it is open for students.

The importance of arriving on time

Arriving at school and class on time:

- ensures that students do not miss out on important learning activities scheduled early in the day
- helps students learn the importance of punctuality and routine
- gives students time to greet their friends before class
- reduces classroom disruption.

Lateness is recorded as a partial absence and must be explained by parents.

What if my child had to be away from school?

On occasion, your child may need to be absent from school. Justified reasons for student absences may include:

- Being sick, or having an infectious disease
- having an unavoidable medical appointment
- being required to attend a recognised religious holiday
- exceptional or urgent family circumstance e.g. attending a funeral.

Following an absence from school you must ensure that within 7 days you provide your child's school with a verbal or written explanation for the absence. However, if the school has not received an explanation from you within 2 days, the school may contact you to discuss the absence.

Principals may decline to accept an explanation that you have provided if they do not believe the absence is in the best interest of your child. In these circumstances your child's absence would be recorded as unjustified. When this happens the principal will discuss their decision with you and the reasons why.

Principals may request medical certificates or other documentation when frequent or long term absences are explained as being due to illness. Principals may also seek parental permission to speak with medical specialists to obtain information to collaboratively develop a health care plan to support your child. If the request is denied, the principal can record the absences as unjustified.

Travel

Families are encouraged to travel during school holidays. If travel during school term is necessary, discuss this with your child's school principal. An Application for Extended Leave may need to be completed. Absences relating to travel will be marked as leave on the roll and therefore contribute to your child's total absences for the year.

In some circumstances students may be eligible to enrol in distance education for travel periods over 50 school days. This should be discussed with your child's school principal.

My child won't go to school, what should I do?

You should contact the principal as soon as possible to discuss the issue and ask for help. Strategies to help improve attendance may include a referral to the school's learning and support team or linking your child with appropriate support networks. The principal may seek further support from the Home School Liaison Program to develop an Attendance Improvement Plan.

What might happen if my child continues to have unacceptable absences?

It is important to understand that the Department of Education may be required to take further action where children of compulsory school age have recurring numbers of unexplained or unjustified absences from school.

Some of the following actions may be undertaken:

Compulsory Schooling Conferences

You may be asked, along with your child, to attend a Compulsory Schooling Conference. The conference will help to identify the supports your child may need to have in place so they attend school regularly. The school, parents and agencies will work together to develop an agreed plan (known as Undertakings) to support your child's attendance at school.

Application to the Children's Court – Compulsory Schooling Order

If your child's attendance at school remains unsatisfactory the Department may apply to the Children's Court for a Compulsory Schooling Order. The Children's Court magistrate may order a Compulsory Schooling Conference to be convened.

Prosecution in the Local Court

School and Department staff remain committed to working in partnership with you to address the issues which are preventing your child's full participation at school. In circumstances where a breach of compulsory schooling orders occurs further action may be taken against a parent in the Local Court. The result of court action can be the imposition of a community service order or a fine.

What age can my child leave school?

All New South Wales students must complete Year 10 or its equivalent. After Year 10, and up until they reach 17 years of age, there are a range of flexible options for students to complete their schooling.

Working in partnership

The NSW Department of Education recognises that working collaboratively with students and their families is the best way to support the regular attendance of students at school.

We look forward to working in partnership with you to support your child to fulfil their life opportunities.

Telephone interpreter service

Please contact the school if you would like more information. If you need interpreter assistance to contact the school, please call 131 450, tell them what language you need and ask the operator to phone the school. The operator will get an interpreter on the line to assist you with your conversation. You will not be charged for this service.
